Overseas Training Specialist Specified Training (SST) Flowchart

Approximate Timelines

Please refer to the **Overseas Trained Specialist Specified Training** webpage for further information.

Applicant submits RANZCP SST Application Form including payment and all supporting documents as per the checklist.

Application is forwarded to the relevant Branch Training Committee (BTC) for preliminary recommendations. The suitability of the proposed training program is assessed.

Branch Training Committee (BTC) requests clarification.

No clarification required.

Applicant submits satisfactory clarification.

Application is forwarded to the Committee for Specialist IMG Education (CSIMGE) for final review of the proposed training program and sign off of the Medical Board of Australia form (AAMC-30).

Committee for Specialist IMG Education (CSIMGE) requests clarification.

No clarification required.

Applicant submits satisfactory clarification.

The endorsed Medical Board of Australia form (AAMC-30) is sent directly to The Australian Health Practitioners Agency (AHPRA) with a copy sent via email to the applicant and health service contact.

The RANZCP process is complete. The applicant and health service are to contact AHPRA with any further queries.

Approximately six (6) weeks
