### **Making an application for reconsideration**

This form can be used to make an application for reconsideration to the RANZCP in accordance with the [Review, Reconsideration and Appeal Policy and Procedure](#). Part Two of the Policy applies to applications for Reconsideration. We recommend that you read the Policy before completing and submitting your application, for information about the reconsideration process and your rights throughout that process.

The Policy sets out the requirements that an application for reconsideration must meet before it can progress through the steps of the reconsideration process. This application form is structured to assist you to meet those requirements.

However, if your application does not meet the necessary requirements, a staff member from the RANZCP's Legal Services Department will contact you to offer general information and assistance in relation to meeting the application requirements. Please note that the RANZCP Legal Services Department is not able to provide you with legal advice in relation to your application. Should you require legal advice, please seek your own independent legal advice.

There is a prescribed fee of \$1000 AU/NZ to make an application for reconsideration. If you are experiencing financial hardship, you may be eligible to have this fee waived in accordance with the Policy. Please provide the requested information in this form, and any relevant supporting documents. The onus of proof to establish financial hardship lies with the applicant and a decision to waive the application fee is discretionary and resides with the CEO.
