

# TAS BRANCH MERITORIOUS SERVICE AWARD 2024

Tasmanian Branch

The Tasmanian Branch Committee seeks to recognise those individuals and/or agencies who have significant, sustained and distinguished service and/or have made an outstanding contribution to the practice of psychiatry in a clinical, academic, research, training, advocacy or administrative capacity in TAS.

The Meritorious Service Award is presented on an annual basis to a:

- **Fellow of the College in Tasmania**

AND may also be awarded to:

- **An Agency or individual in Tasmania who is not a College Member,**

In weighing up the relative merits of a range of nominated individuals, the selection panel of the TAS Branch Committee may take into consideration whether a particular nominee's achievements have been conducted substantially in TAS and if they have already received significant public recognition of their contribution.

Winners receive an engraved plaque and a \$500 voucher. Presentation of the award will take place at either the Tasmania Branch conference, or if there is no conference for a particular year, at an end of year dinner event of the Tasmanian Branch, by the Chair of the Tasmanian Branch Committee.

## **Nominations close on Friday 28 June 2024**

The TAS Branch Committee is now seeking nominations from TAS Fellows for these awards.

To nominate please complete the following form and return **with an abridged CV of the nominee** to the TAS Branch Coordinator email: [ranzcp.tas@ranzcp.org](mailto:ranzcp.tas@ranzcp.org).
